**Pope Francis' Intentions:** We pray that each of us hears with the heart the cry of the earth and victims of natural disasters, personally committing to care for the world we inhabit.

**The Cross** Peter is described by Jesus as being blessed by my Father because he knows that Jesus is the Christ – then Jesus tells the disciples about the upcoming cross He will endure – Peter rejects this plan and Jesus says "Get behind me Satan," you are thinking not as God does but as human beings do.

This past week we honored the Holy Cross of Jesus; we encourage believers to display images of the Cross to, once again, proclaim the message of salvation to the world. Let us never be ashamed to make the sign of the cross in public as we pray before meals or at any other time. The cross proclaims Christ's love for each person.
